Why ExhibitNow?

Seamless & Fast.

Time is your most valuable asset. ExhibitNow provides the look of high-end modular displays and the convenience of kits – all in a fast-tracked process that has your booth shipped in as little as five business days. Plus, we can help with all the details, from pre-show planning and show services, to post-show storage.

Compelling, Narrative-Driven Graphics.

Our high-impact fabric graphics are your canvas for high-resolution brand storytelling with consistent color matching. Our graphics are easy to swap and update, ensuring your message remains at the forefront. Basic graphic artwork preparation is included with the exhibit or we can help with additional artwork creation.

Bespoke Selection for Impeccable Fit.

Our packages, tailored for standard show floor footprints – 10'x10' through 10'x30' – are meticulously built with essentials like monitor mounts and lighting. Choose from 20+ expertly curated options. Our ready-to-ship inventory comes standard with CAD drawings.
