

RALLY COUNTER & WORKSTATION

Skyline[®]

Rally Counter —
Lightweight, Easy, Sturdy

Rally Customers to Your Brand with Rally Counter

Rally Counter is a multifunctional brand messaging platform. It can be used as a workstation, demo station or product display stand. In all uses, it's a natural spot to meet with attendees. Rally Counter is strong, stable, durable and looks great with Skyline genuine graphics.

Sets Up In Just Over One Minute

Installs quick and easy without tools! Rally is smartly designed to set up and repack faster than any other comparable counter on the market.

Colorful, Durable and Easy-to-Change Graphics

Single-panel graphic folds to pack small. Quality Skyline graphic has a durable finish to look good use after use. When it's time to change your look or message, simply replace your graphic panel.

Supports Up to 200 lbs.

Rally has nine cubic feet of storage space. Doors lock to keep items secure. Rally has a center shelf and base shelf that support up to 50 lbs. (22.7 kg) each. The laminated counter top also supports up to 100 lbs. (45.4 kg) for an impressive total of 200 lbs. (90.7 kg).

Counter top comes with wire management hole and cover.

Rally Counter is a great looking and functional complement to exhibits of any size and design.

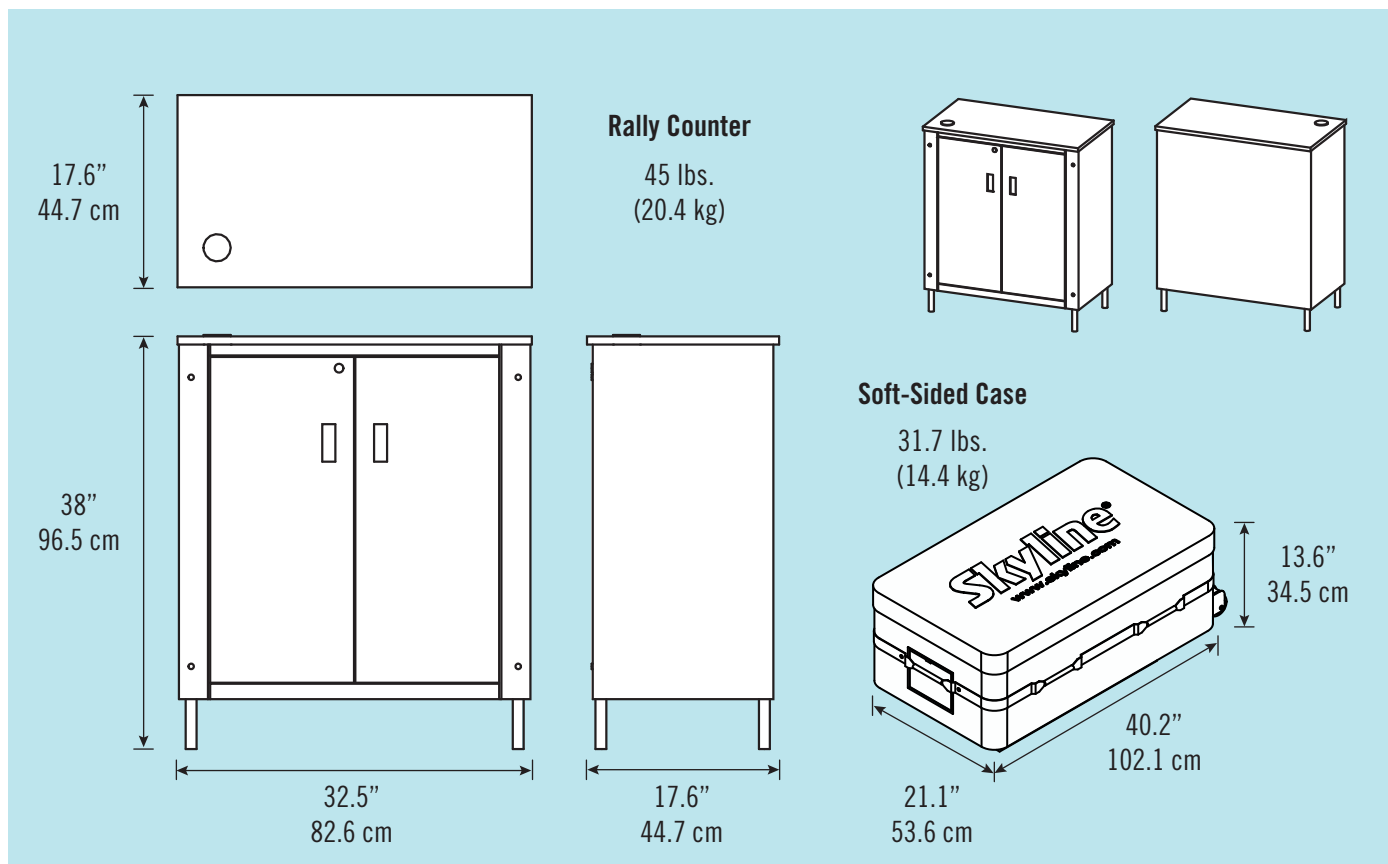

Rally Counter: Big Look, Big Value

Lightweight and Packs Small

Rally Counter folds up to pack small in a durable soft-sided case. The case has handles and wheels so Rally is easy to transport.
